**Please read the manual and attentions carefully before building.**

Serial Code of Runners: A20  
 Serial Code of Parts: A29

- Check the serial code marked on the Runners.
- Please confirm the serial code of parts for each piece.
- Some parts may have sharp ends, please be careful when handling.

Instruction and packaging must be retained since it contains important information.

Some parts may have sharp ends, please be careful not to get injured when building and playing.

Tools and paint are not included.

**CHARACTER PROFILE**

**OPTIMUS PRIME**

FACTION: AUTOBOT | FUNCTION: AUTOBOT LEADER

HEIGHT: approx. 5.48M

ALT MODE: Freight liner FLA Truck (1987)

SYMBOL: JUSTICE INCARNATE

Legendary commander of the heroic Autobots, Optimus Prime is a tireless defender of freedom, the common good, and the right of all sentient beings to determine their destiny. He believes every Autobot he's lost in battle is too many. His drive to protect those who remain and the humans they live among, will not stop until the Decepticon threat has been neutralized and his Autobots have returned to their home world of Cybertron.
